

Follow St. Paul's Path...

to
*grow in God's love
to be
the best we can be'*

*By living out our
RESPECT
values and following
the example of Christ
we will be the best
we can be
and reach
our full potential.*

Resilience

"With faith nothing is impossible" Matthew 17:20

Jesus showed resilience in the desert. He resisted temptation and never gave up.

Sometimes we are faced with challenges, especially in Maths! We want to walk away but instead we follow Jesus' example and keep trying until we succeed.

Empathy

"Be merciful, just as your Father is merciful" Luke 6:36

The Bible is full of examples of Jesus showing empathy for others. He healed the sick, forgave Zacchaeus and helped those in need like providing wine at the Wedding of Cana.

We can show kindness to others in many ways. We can help our friends if they fall over and invite those who are sad to join in our games. We can also raise money to help those who are less fortunate than us.

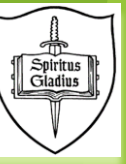

Self awareness

"For God gave us a spirit not of fear but of power and love and self-control" Timothy 1:7

At Pentecost the Holy Spirit filled the disciples with strength. They used their talents of being able to speak in different languages to spread God's Word.

We need to believe in ourselves, and know that God will help us to succeed.

Positivity

"Love your neighbour as yourself" Mark 12:30

Jesus showed positivity towards others even when he was tired. He told the disciples to let the children come to him.

We can be like him if we treat others the way we would like to be treated and say positive things to make people feel good.

Excellence

"Whatever you do work at it with all your heart" Colossians 3:23

Jesus is a shining example of excellence. The way he lived his life, loving, caring and helping everyone. He healed the sick, fed the five thousand, listened to others and forgave those who betrayed him.

To achieve excellence Jesus tells us to always try our best. We can follow his example both at school and at home in the efforts we make with our academic work and the kindness we show others.

Communication

"Encourage one another and build one another up" Thessalonians 5:11

The Holy Spirit gave the disciples the ability to communicate with people in different languages. They listened to Jesus while he was on earth and then went out to spread God's Word to others.

We learn to communicate in many ways including using our voice, facial expressions, actions and sign language. We can even pray using Makaton.

Teamwork

"Together we can do great things" Mother Teresa

Mother Teresa showed us how we can work together to make people's lives better.

We need to work together, as communicating and supporting each other will make our lives easier and make us a better person. In our Commando Joe challenges we learn that to succeed it is essential to work together and listen to our friends.

Mission Statement

St. Paul's Catholic Primary School is a vibrant Christian community at the heart of which is a love for God. It respects the uniqueness of the individual made in God's image and loved by him and this is immersed in our core values of faith, respect, resilience and happiness.

- ▶ We aim to deliver a high standard of education which challenges all, based on the understanding that the whole person is celebrated and inspired to contribute.
- ▶ We aim for excellence in the daily life of our school, where together we live, love, learn and celebrate.
- ▶ In working outwardly, our partnership with parents, our parishes, other schools and the wider community, will benefit.
- ▶ We will endeavour to provide open and supportive communication which fosters effective, caring relationships between all.
