**Has your child been to school on time this last school year?**

**It is very important for your child to be at school every day and to be on time.**

**EVERY MINUTE COUNTS!**

**8.50am** Your child has arrived in time to settle well and has the best start possible.

**9.00am** Your child has probably arrived just after most children as the school day starts at 9.00 am.

**9.01am** Your child is late and has missed the beginning of the school day - being a few minutes late often unsettles children.

**9.05am** 5 minutes late a day means **3 lost days** a year.

**9.10am** 10 minutes late a day means **6 lost days** a year.

**9.15am** 15 minutes late a day means **9 lost days** a year.

Arriving after the register closes is recorded as an unauthorised absence.

If your child is late they are missing out.

If your child is regularly late it will affect their learning at school.

**Give your child the best start to the school day by arriving at 8.50am.**

*\* Please note \**

*If your child has more than **10** late marks we will be monitoring your child.*

**Has your child been to school every day?**

**We appreciate that at times your child is genuinely ill or a holiday has had to be taken which has been authorised by the Headteacher. However, days missed means your child is losing valuable learning time.**
